Introduction:

- God's reset of creation
- Noah given a very big job

The LORD observed the extent of human wickedness on the earth, and he saw that everything they thought or imagined was consistently and totally evil. So the LORD was sorry he had ever made them and put them on the earth. It broke his heart.

Genesis 6:5-6

A Lifetime of Construction

1. Seemingly _____ work

Build a large boat from cypress wood and waterproof it with tar, inside and out. Then construct decks and stalls throughout its interior. Make the boat 450 feet long, 75 feet wide, and 45 feet high. Leave an 18-inch opening below the roof all the way around the boat. Put the door on the side, and build three decks inside the boat—lower, middle, and upper.

Genesis 6:14-16

2. Daily _____

So Noah did everything exactly as God had commanded him.

Genesis 6:22

3. Faith sees the _____ in the _____

It was by faith that Noah built a large boat to save his family from the flood. He obeyed God, who warned him about things that had never happened before.

Hebrews 11:7
