

Weird Desires

Sunday, July 27, 2014 Dave Michel Stepping Stones Community Church

Introduction:

- God's call to be weird
- Our battle with natural desires

Enter God's kingdom through the narrow gate. The gate is large and the road is wide that lead to death and hell. Many people go that way. But the gate is small and the road is narrow that lead to life. Only a few people find it.

Matthew 7:13-14 NIRV

Key Thought:

If you want what **normal** people have, do what **normal** people do

If you want what **few** people have, do what **few** people do

For the world offers only a craving for physical pleasure, a craving for everything we see, and pride in our achievements and possessions. These are not from the Father, but are from this world. And this world is fading away, along with everything that people crave. But anyone who does what pleases God will live forever.
