Introduction:

- Repentance seems very negative
- Repentance leads to refreshing

Those who trust in the LORD will renew their strength; they will soar on wings like eagles; they will run and not grow weary; they will walk and not faint. **Isaiah 40:31** HCSB

REpenting

Repent, then, and turn to God, so that your sins may be wiped out, that times of refreshing may come from the Lord... **Acts 3:19** NIV

1. Changed _____ and _____

Don't change yourselves to be like the people of this world, but let God change you inside with a new way of thinking. Then you will be able to understand and accept what God wants for you. You will be able to know what is good and pleasing to him and what is perfect. **Romans 12:2** ERV

But I'm happy now, not because I made you uncomfortable, but because the distress I caused you has led you to change the way you think and act. You were distressed in a godly way, so we haven't done you any harm. In fact, to be distressed in a godly way causes people to change the way they think and act and leads them to be saved. No one can regret that. But the distress that the world causes brings only death. **2 Corinthians 7:9-10** GW

2. Restoring _____

But I have this complaint against you. You don't love me or each other as you did at first! Look how far you have fallen! Turn back to me and do the works you did at first.

Revelation 2:4-5 NLT
